FAX. NO : +603- 2094 7728
E-MAIL : azmiomar@iium.edu.my / azmi114@yahoo.com
NATIONALITY : Malaysian

ACADEMIC QUALIFICATIONS

Doctor of Philosophy (1994), Finance
Bangor University, United Kingdom

Master of Business Administration (1985)
Bachelor of Science (Finance) (1983)
Northern Illinois University, United States of America

SPECIALIZATION

Islamic Banking and Finance
Islamic Capital Markets
Managerial and Corporate Finance
Portfolio Management and Investment Analysis
Balanced Score Card

CURRENT POSITION

Professor, Department of Business Administration,
Faculty (Kulliyyah) of Economics and Management Sciences

Dean, IIUM Institute of Islamic Banking and Finance, (December 2009 -)

PREVIOUS POSITION

Executive Officer (April 1980 – December 1981), International Banking Division, Bank Bumiputra Malaysia Berhad

Dean, Kulliyyah (faculty) of Economics and Management Sciences, (June 1996 – April 2003)

Acting Deputy Rector (Academic Affairs), August 2002 – April 2003

Acting Rector, March 2006 – May 2006

Deputy Rector (Academic and Research), May 2003 – April 2008

Main achievements:

1. Led a team to develop and introduce KPIs for academic staff and academic administrators.
2. Spearhead the revision of university's strategic plan to be in line to Ministry of Higher Education's strategic plan.
3. Led the implementation of Balanced Score Card in IIUM which later won the prestigious Balanced Score Card award "Hall of Fame" in September 2008.
4. Introduced a number of academic rules and regulations in order to enhance university's academic integrity and programmes.
5. Led a team to develop and design strategies and incentives to increase research, publications and postgraduate students in IIUM

Chief Information Officer, International Islamic University Malaysia
(November 2005 – May 2008)

Main achievements:

1. Identify and introduce a number of university software applications that were developed in-house by the university IT staff.
2. Spearhead the development of a university portal whereby staff and students will need only one single sign-on to access numerous university software applications.

Dean, Office of Corporate Strategy and Quality Assurance
(July 2008 – November 2009)

Main achievements:

1. Led the team that enabled IIUM to win the "Hall of Fame" award for Balanced Score Card implementation. This award was given by Professor Norton and Kaplan of Harvard Business School in September 2008. IIUM is the third university in the world and the first university in Asia to have won such a prestigious award.
2. Led the team to design and develop the university's performance management

system.
